No Medical Certificate / proof regarding the illness has been filed in support of Section 5 Limitation Act Application. Further, it has been stated that Ravindra Singh was doing Parvi of the case, however in para 2 of the Section 5 Limitation Act Application, it has been stated when Dalveer Singh became fit then revision has been filed.

Averments made in the Section 5 Limitation Act are contradictory and are not supported with any Medical Certificate/documents.

Thus, Present Civil Revision is dismissed as time barred.
