Called out. Present Sh. Sachin Tiwari learned counsel for the applicant and Sh. Shivkumar Shukla learned D.G.C. (Criminal) for State.

Heard on transfer application.

According to the applicant/accused, he is not confident in getting the justice from the concerned Court and is also skeptical of the Court concern and therefore, the case be transferred to some other Court. According to report of the concerned Court, the matter is fixed for appearance of the accused and the accused is absent since 09.06.2023 and non-bailable warrant has been issued against him.

In considered opinion of this Court, when the accused himself is not appearing in the concerned Court, how the concerned Court can hear the matter and decide the same. The accused cannot take benefit of his own wrong. The transfer application is devoid of merits and deserves to be dismissed.

Order

Transfer application is hereby dismissed.
