Order No. 16

Dated 17.12.25

A petition is filed by accused person namely **Sanjib Barai @ Lalu** praying for placing the record before the Court on the ground of his implied intention to surrender to the authority of Court and to seek bail for his release. Simultaneously, petition for release on bail is also filed by him. A photocopy of Adhaar card bearing No. 610861489915 being signed by the accused and attested by his ld. lawyer is also filed. A vokatnama executed by the accused and accepted by his ld. lawyer is also filed.

The copy of petition for placing the record before the Court is served upon ld. PP in charge.

The petition for placing the record before the Court is taken up for consideration.

Heard ld. Lawyer for accused person as well as ld. PP-in-charge. Perused the petitions. Considered. To appreciate the prayers of the accused in proper perspective, record is required to be placed before the Court. Thus, prayer for placing the record before Court is allowed. Record is placed before the Court. Petition to this end, thus, stands disposed of. On perusal of the record, it appears that WA is pending against the accused person because of his failure to appear before the Court on consecutive dates including the earlier date and it is because of this fact, he has intended to surrender to the authority of Court and seek bail for his release. In view thereof, he is taken into custody and remanded to JC.

The prayer for bail is, now, taken up for consideration.

Heard ld. Lawyer for accused person who has submitted that for some reason, accused could not turn up in the Court on the earlier dates but he has intention to face the trial and as such, he has voluntarily appeared before the Court and he may be given the relaxation of bail again and if such benefit is given, he would not be away from the Court proceeding and he would remain present on all dates before the Court as may be fixed by the Court. Ld. lawyer, therefore, has prayed for release of accused on bail on any conditions as the Court may deem fit and proper. Ld. PP-in charge submits that bail prayer of the accused may either be rejected or else Court may pass any other order as Court may deem fit and proper in the factual scenario of the case.

Perused the petition and record as well. As accused was absent on a quite a number of dates including the earlier date, WA was issued against him but he has voluntarily appeared before the Court and intended to surrender and seek bail and thereby he has shown his intention to face the trial. I, therefore, am inclined to give him one more opportunity to remain on bail and if this time, he violates the condition of bail, no further concession would be shown to him and he would have to face the remaining part of trial by being behind the bar.

Considering everything, I find merit in his petition for bail which of why prayer contained therein is allowed.

Thus, accused **Sanjib Barai @ Lalu** may find bail of **Rs. 5000/-** with **two registered sureties of Rs. 2500/- each subject to the satisfaction of ld. CJM, Purba Medinipur** and accused, if on bail, would have to turn up in the Court on each and every date as may be fixed by this Court in connection with this case.

With these, petition stands disposed of, on contest.

To date for the production of the accused person, if not on bail.

Recall WA in the name of the accused at once.

Let a copy of this order be sent to ld. CJM, Purba Medinipur for information and necessary action.
