Order Below Exh.13
In
MACP No.430 of 2026

Perused the application and say filed thereon by the Insurer.

2. Heard.

3. By this application the insurer is seeking deletion of name of the insurance company from the array of parties of the claim-application contending that on the date of alleged accident, the vehicle autorickshaw bearing No.MH-47-X-4934 was not insured with the insurer. The insurance policy relied upon by the claimant was issued for the period from 12.10.2025 to 11.10.2026 and it was not in force on 03.10.2025, the date of the alleged accident.

4. The claimant has filed the say and stated that the accident occurred on 03.10.2025 and the insurance policy was issued for the period from 12.10.2025 to 11.10.2026.

5. The insurance policy produced by the claimant shows the policy period was from 12.10.2025 to 11.10.2026. Thus, admittedly the vehicle autorickshaw bearing No.MH-47-X-4934 was not insured with the insurer on the date of the accident i.e. on 03.10.2025. In view of this, there is no reason to drag the

insurer through the trial unnecessarily and it would be appropriate to delete name of insurance company as prayed by the insurer. Hence, the following order,

ORDER

1. The application (Exh.13) is allowed.
2. Name of the insurance company “Reliance General Insurance Company Ltd.” be deleted from the claim-application, from the array of parties.
3. The claimant to carry out necessary amendment within preseccribed period.
