This petition filed under Order XXXIX Rule 1 of CPC for injunction.

This petition coming on for hearing before me on 14.11.2022 and on the same day the court passed the following.

ORDER

Heard the petitioner.

Perused the affidavit in support of injunction petition, plaint and documents. I am satisfied that a prima facie case is made out justifying the grant of an ad-interim order of injunction. Prima facie the balance of convenience is found in favour of the petitioners. If interim order is not granted, irreparable injury is likely to be caused to the petitioners. Delay in sending the notice will defeat the object of granting the relief. Hence an ad-interim order for injunction is passed restraining the respondent and men under them from trespassing into B schedule property and from obstructing the peaceful enjoyment of B schedule property by the plaintiff and family and from committing any mischief therein until further orders.

Comply Order XXXIX, Rule 3 Proviso(a). Issue order and notice to the respondents. For return of Notice. Adjourned to 06.01.2023.
