Perused the materials on record and C.D. It appears that 65 kgs of ganja have been recovered from the possession of the accused persons. Charge has already been framed in this case on 10.04.2025 u/s 20(b)(ii)/25/29 of the NDPS Act. One witness has been examined and partly cross-examined. Incriminating materials has come against the accused persons in the evidence of PW-1. There is also sufficient material in the C.D. against the accused persons for commission of the alleged offence. Trial has already been commenced and the evidence is very serious in nature as it involves commercial quantity of ganja. In the circumstances, considering all, prayer for bail is rejected.
