

IN THE SPECIAL COURT OF PROTECTION OF CHILDREN FROM
SEXUAL OFFENCES (POCSO), RAMPURHAT, BIRBHUM
Special Case (POCSO) No.17/2022 (CIS No. 17/2022)

Later/Order No. 08

21.09.2022

Bail petition files.

Bail moves.

Perused the case record and CD.

Heard Ld. Lawyer for the accused and Ld. Representative
of Special PP.

Upon such perusal and hearing it reveals that CD presents sufficient materials against the accused person including the statement of victim and medical report. Considering the nature and gravity of the offence and considering the stage of investigation, I am not inclined to allow the prayer for bail of this accused at this stage. Accordingly prayer for bail is considered and rejected.

Seen the prayer of IO who prayed for ossification test of victim girl. It appears from the case record and CD that there are birth certificate of victim girl collected by IO during investigation along with copy of Aadhar Card. In the circumstances it is the duty of the Police Officer reached at the conclusion through investigation which birth certificate is the original and what is the fake. As such when there are or there is birth certificate of victim girl the scientific measure which is not without doubt can be based to determine the age of victim. Accordingly I do not find any merit for the petition of IO for ossification test of the victim. As such this petition is considered and rejected.

To date for production.
