

Misc. Case No- 05 of 2026
(R. No. 68 of 2026)

17-07-2026

Record is put up by petition.

The petitioner namely Minarul Sk has filed a petition seeking withdrawal of the case by stating that the dispute between her and the O.P. have resolved and a mutual settlement took place between them out of the Court as such she does not want to proceed with that case. The petitioner is examined on dock on 17-07-2026 with regard to the withdrawal petition and she stated that he has filed the petition voluntarily as per her own free will. Now, considering the grounds made out in the petition and the deposition of the petitioner I am of the view that the petition has been filed voluntarily and I find no impediment to disallow the present petition.

H e n c e , it is,
