ORDER dated 18.03.2021::

The record is put up by a petition.

Ld. Advocate also files a petition with a prayer for bail of the accused Ananda Let.

Heard both sides at length. Perused the petition. It is revealed that on previous occasion prayer for bail was rejected and C/D was called for on 26.03.2021. Today Ld. Advocate for the accused pray for bail without showing any reason or any subsequent development in the instant case. I did not find any cogent materials for allowing bail without perusing the C/D.

Considered. Accordingly, prayer for bail is rejected at this stage.

Todate.
