ORDER

1. This is first bail application by the applicant-accused who is involved and detained in the case detailed here-in-above.
2. I have heard Shri Ram Pratap Singh Chauhan, advocate for the applicant, and Shri Prabhashankar Audichya, district government counsel (criminal), for the State of U.P. I have also gone through the record/case diary.
3. In the first information report the complainant Shri Ramnaresh had lodged on 16.06.2016 at the Police Station of Kamalganj. There are clear allegations made against the applicant-accused that he had been harassing/torturing the deceased Smt. Uma Devi, sister of the complainant and who he married some four years back from the date of her homicidal death by strangulation in side her matrimonial home in order to pressurize the complainant side to fulfill his demand of additional dowry.
4. In view of the fact and circumstances of the case, and particularly in view of the homicidal death of deceased inside her matrimonial home, it does not appears to be a good or fit case for bail to the applicant.
5. Bail to the applicant is refused.
