Present: Shri Sujay Sengupta (WB00650),  
District Judge, Purba Bardhaman

Misc. Case No.82 of 2025  
(CNR No.WBBD01-003587-2025)

Suman Aich .... Petitioner

Order No.5, dated 17.01.2026.

Petitioner files hajira and requisites.

As per office note, since the requisites filed earlier were found to be incomplete, those were not issued.

An application is filed by the petitioner, purported to be one under Order 6 Rule 17 of the C.P.C., praying for incorporating another address of the mother of the minor.

Heard the Learned Advocate.

Perused the petition under consideration.

It transpires that the instant petition is devoid of any schedule particularizing the place wherein another address of the mother of the minor stated to be the resident of that place. In the circumstances, the petition being misconceived, stands rejected.

Requisites filed today is not at par with the cause title of the original application. Let those be kept in the record.

Petitioner is directed to take appropriate steps.

To **10.02.2026** for steps.
