Order No. 44 dated 17.08.2022

Today is fixed for evidence.

Ld. PP in charge is present with two witnesses. Ld. Defence Counsel is also present.

P.W.-13 and P.W.-14 have been examined and cross examined in full and discharged.

At this stage one petition has been filed from the side of defence stating that one of accused of this case Akila Bibi is suffering from several female disease. Hence she requires proper treatment in that respect. Accordingly he prayed before this Court to direct the Superintendent of Burdwan District Correctional Home to provide her proper treatment in that respect.

Ld. PP in charge did not raise any objection. Since it is a claim from the side of defence counsel that Akila Bibi is suffering from several female disease. Hence, I think she should be provided proper treatment during Jail Custody.

Hence, considering this view the Superintendent of Burdwan District Correctional Home is directed to provide proper treatment to accused Akila Bibi.

Let a copy of this order be sent to the Superintendent of Burdwan District Correctional Home for information and taking necessary action.

To date (**18-08-2022**) for further evidence.
