

Criminal Bail Application No.615/2026

**Faisal Abdulla Khan Vs.
State of Maharashtra Nayanagar Pol. Stn. Dist.Thane**

Order below Exh.1

1] Applicant **Faisal Abdulla Khan**, who is accused in C.R. No.84/2026 P.S. Nayanagar under Sections 64(1), 308(2), 115(2), 351(2) of Bharatiya Nyaya Sanhita, 2023 has filed this instant bail application for grant of bail. The applicant is in jail from 26.03.2026.

2] From the F.I.R. and charge-sheet the prosecution story is as under :-

During the year 2021 when the applicant was teaching the victim driving, they developed a consensual love relationship. In April 2021 the applicant and victim shared physical intimacy and thereafter remained in regular contact through phone calls and messages. On 06.08.2021 physical relations were established between the applicant and the victim and thereafter such relations continued. The applicant later started pressurizing the victim for physical relations and extended threat and exploited her financially alongwith threats and coercion. Hence, police

complaint was filed by the victim and applicant was arrested.

3] The Ld. Advocate for applicant submitted that applicant is innocent. There is unexplained delay of 5 years in lodging the F.I.R. The alleged incidents took place in the year 2021. The applicant and victim were in a love relationship involving continuous contact, meetings and voluntary and consensual physical relations over a long period. The victim is adult. The entire case is based on documentary and electronic evidence. Therefore, further custody in jail is not required. The applicant is in jail for considerable time. He is ready to abide by any conditions enforced by the Court. Hence, this application.

4] The Ld. APP and I.O. had strongly resisted this application by filing Say vide Exh.4. Ld. APP submitted that applicant has criminal history. He was also accused in POCSO case. He had threatened informant that either she should have physical relation with him or she should pay money to him. There are certain photographs and videos in his possession and on the basis of that he is blackmailing informant. Investigation is going on. If he is granted bail then he will pressurize witnesses and there is also possibility that he might abscond. Hence, application be rejected.

5] The victim appeared through her advocate. She has resisted this application and requested that the applicant should

not be granted bail. She further submitted that applicant is violent in nature and has often assaulted her in front of her minor child and also in public places. If he is granted bail he will kill her. Therefore, application be rejected.

6] In this case, charge-sheet is filed. In the F.I.R. specific role is attributed to the applicant. Though there is delay to some extent in lodging F.I.R. However, the victim has explained that delay due to love relationship and also threatening by applicant. In the F.I.R. there are specific allegations that by giving threats applicant has taken money from informant from time to time. Though he has been acquitted in POCSO case but record shows that in that case also he was in love relations with minor girl. The investigation is going on. The recovery of money which was taken from informant is yet to be made. If at this stage applicant is granted bail there are chances that he might hamper and tamper with prosecution evidence. Hence, following order :-
