

order dated 07.08.18

Petitioner filed hajira. Petitioner filed three party receipts dt. 09.03.18 (payment of Rs 5000/-), 07.08.18 (payment of Rs 2000/-), 07.08.18 (payment of Rs 4000/-). Let these be kept with the CR.

OP filed a petition to pay Rs 2000/- today. Petitioner refused to receive the said amount.

The Ld advocate for the petitioner submitted that the Court has passed order to Pay Rs 6000/- per month to the petitioner but the OP is paying only Rs 2000/-. The amount of arrear maintenance pending is huge. The petitioner is not willing to receive such meager amount.

The Ld advocate for the OP submitted that the financial condition of the OP is very poor at present. He has filed an application u/s 127, CrPC. If the petitioner is not willing to receive Rs 2000/- today, the OP intends to deposit the same in judicial cash. The OP filed a petition to that effect.

Hd. Considered.

Perused the record.

It appears that on 09.12.18 this Court had ordered that the respondent no.1 would pay Rs 4000/- per month as interim maintenance and Rs 2000/- per month as rent for the alternative accommodation of the petitioner. This Court had to issue DW against the OP to realise the arrear maintenance of the petitioner. The OP did not pay the pending arrear maintenance. Considering the conduct of the OP I am not inclined to allow the OP to deposit Rs 2000/- in judicial cash.

Hence, it is,

ordered

that the petition filed by the OP dt. 07.08.18 is hereby rejected.

Issue WA against the OP.

To 10.09.18 for ER/WA.
