

Today is fixed for appearance and SA.

Complainant is present today and filed hazira.

The Ld. Advocate for the complainant has already filed the initial deposition of the complainant on S.A in form of Affidavit. Reasoning with the provision of Sec-145 N.I.Act and also with the guidelines of the Hon'ble High Court, the affidavit is accepted and kept with the record.

Heard the Ld. Advocate for the complainant.

I have perused the complaint petition, initial deposition on affidavit and other materials on record.

Considered.

I find that prima facie an offence u/s 138 N.I Act has reasonably made out against the accused person which justifies the issuance of process against the accused.

Complainant is to file requisites.

To 25-08-2021 for S/R and Appearance.
