Order No.02

11.02.2026

Record is put up today on the prayer of petitioner of this case.

He has prayed for hearing of the petition u/s 9 of the Arbitration and Conciliation Act, 1996.

The Ld. Advocate of the respondent is found present. It is pertinent to mention as the respondent filed caveat in the matter, copy of the put up application was served upon the Ld. Advocate of the caveator.

Ld. Advocate appearing on behalf of the respondent made a prayer for granting sufficient time to him for filing written objection against the said petition.

The said prayer of the respondent is considered and allowed.

At this stage the Ld. Advocate of the petitioner prayed for granting an ad-interim of injunction order in terms of his prayer made in the petition u/s 9 till the date of hearing of the said application.

According to this court as the respondents have already appear and they filed caveat, no interim order should be passed without giving them the opportunity of filing written objection. Thus, the prayer made by the Ld. Advocate of the petitioner is rejected.

Fix **25.02.2026** for hearing of the petition u/s 9 of the Arbitration and Conciliation Act, 1996. Written objection, if any, is to be filed in the mean time.
