

**MAT SUIT No. 314 / 2025**

**Reg. No. 314 / 2025**

**Order No. 04 dtd. 09.04.2026**

The record is put up today on a put up petition filed by the parties.

Both the petitioners namely **Smt. Krishna Karmakar and Sri Avijit Karmakar** are present before the court with their respective Ld. Advocates. They have appeared before this court after the expiry of six (6) months statutory period of cooling off.

The case is taken up for reconciliation. Both the petitioners submitted that it is not possible for them to live together as husband and wife and any kind of reconciliation is not possible. Accordingly, the attempt of reconciliation stands failed.

Both the petitioners have filed their respective affidavit in chiefs and they have been examined as PW1 & PW2 respectively.

The case of the parties, in brief, is that the marriage of the parties was solemnized on 06.01.2015 according to Hindu rites and customs. After marriage they started to reside together as husband and wife within the jurisdiction of this court. One child was born out of their wedlock who is presently in the custody of the petitioner no.1. It is apparent that they could not adjust with each other and for that reason they started to reside separately since 01.01.2016. There is no chance of reunion. Hence, both the petitioners have filed this petition praying for dissolution of their marriage by decree of divorce on mutual consent. It appears that they have claimed that there is no collusion between them in the matter of filing of the suit. at they have claimed that there is no collusion between them in the matter of filing of the suit.

On careful perusal of both oral and documentary evidence, I find that they have proved their case as made out in the application u/s. 13(B) of Hindu Marriage Act. Both the petitioners have asserted that there is no collusion between them in the matter of filing the suit and the petitioners have been living separately since 01.01.2016 and there is no chance of reunion. I also do not find that there is any legal impediment in not allowing the prayer of the parties.

In the circumstances, I am of view that the petitioners marriage should be dissolved by a decree of divorce by mutual consent.

In the result, this suit succeeds.

C.F. paid is correct.

Hence, it is

**O R D E R E D**

that the matrimonial suit being No. **314 / 2025** be and the same is decreed on mutual consent. The marriage of the parties namely **Smt. Krishna Karmakar and Sri Avijit Karmakar** which was solemnized on 06.01.2015 according to Hindu rites and customs stands dissolved with immediate effect.
