

Order No.8, dt.25.08.17.

Both the two accused persons Narendra Nath Barman and Biswajit Barman in J.C are produced from the J.C and remanded again to J.C till further date of production. A bail petition has been filed on behalf of the accused praying for release of those two accused persons on bail on the ground stated therein.

Another petition along with the information slip has been filed by the Ld. Advocate on behalf of the accused persons stating that the I.O of this case is not vigil about the investigation of this case. According to the said information slip, one FIR named accused of this case i.e. accused Dipak Biswas although not yet arrested as an absconding accused by the I.O of this case but the said accused during investigation of this case arrested in connection with another case being G.R Case No.606/17 on 08.07.17 in connection with a Mathabhanga P.S case and was released on bail from the court on 03.08.17 but the I.O did not take any step for shown arrest of the said accused in connection with this case during his detention in J.C in connection with said G.R Case.

Let this petition along with information slip be kept with the record.

Let a xerox copy of this information slip along with copy of this order be sent to the S.P, Cooch Behar for his information about such negligent conduct of the I.O of this case and for enquiry by any DSP ranked officer and for taking necessary step.

The bail petition is now taken up for hearing.

Heard Ld. Advocate appearing on behalf of the accused persons as well as Ld. P.P in-charge for the State.

Having heard the submissions of the Ld. Advocate as well as Ld. P.P in-charge and having perusal of the materials on record when it appears that a huge commercial quantity i.e. 25 kgs of ganja along with arms and ammunitions alleged to be recovered from the possession of the accused persons, I find nothing convincing to enlarge them on bail at this stage.

So, the prayer for bail is rejected at this stage.

To **07.09.17** for production of the accused persons and I/O's report.
