

Witness present and duly sworn in on:21.03.2019.

Cross examination by Sri. advocate for Respondent .

I have license and I have produced it to court. It is true to suggest that I am born on 20.05.1986 as per my DL. It is true to suggest that accident occurred at a junction of four roads. It is false to suggest that the car came from BL road. the sketch produced by me is correct. It is true to suggest that I was coming from BEL School, CBSC road towards main road. It is true to suggest that the car was going towards BEL, CBSC school exit road.

Question: What distance you have noticed the car.?

Answer: I have noticed the car but already I had moved further. IMV inspector inspected my vehicle and the report is correct. It is false to suggest that my vehicle right side was damaged. It is false to suggest that the car was taking turn towards BEL, CBSC school road. It is false to suggest that accident occurred in the middle of the road. It is false to suggest that I was at high speed and the car was coming on the left side, while taking turn I have dashed the car, therefore my vehicle right side was damaged. It is false to suggest that I am responsible for accident. Police recorded my statement. I have state before police that I am house wife. It is true to suggest that my husband works at BEL factory. It is false to suggest that entire medical bills are reimbursed. The witness volunteers that I was treated at BEL hospital , free of cost.

It is false to suggest that I underwent surgery. It is true to suggest that I was inpatient at BEL hospital for two days. It is true to suggest that I have given conservative treatment. I was discharged on 25.03.2018, subsequently I went to Shanthi hospital and got admitted on 30.08.2018, after five and half months. It is true to suggest that I was admitted for one day. It is false to suggest that in this 5 ½ month gap I did not take any kind of follow up treatment. The witness volunteers that the doctor at BEL hospital had put POP to both my hands and assured that the bone will be united and told me to wait for two months, but after two months the doctor at BEL told me bone was no united and require surgery therefore referred me to Shanthi hospital, where I was examined and Dr.Ananda Murthy advised me to undergo physiotherapy, to wait and see, I under went physiotherapy at Ramaiah hospital for two months, despite of it the doctor at Shanthi hospital examined and told me that bone is not united and it has to be corrected by surgery. Therefore I got admitted on 30.08.2018 for surgery. I did not produce document for taking treatment or physiotherapy from 25.03.2018 to 30.08.2018. The POP was removed after eight weeks. In that respect the hospital issues slip, I can produce it. It is false to suggest that since it was not a major fracture , I was applied POP. It is false to suggest that subsequently I had a fall and

sustained further injury and took treatment at shanthi hospital.

It is false to suggest that the Shanthi hospital people are well know to me and I have colluded with them and created the documents for accidental injuries. It is false to suggest that treatment given at shanthi hospital is not in respect to accidental injuries. It is false to suggest that the medical charges at Shanthi hospital is reimbursed by BEL company. It is false to suggest that taking advantage of the accident, I have created the documents and claiming compensation for accidental injuries. It is false to suggest that I did not spend Rs.1,70,000 towards medical charges. It is false to suggest that since I am not a tailor, I mentioned before police that I am house wife. It is false to suggest that hereby I am not earning Rs.25,000 per month. It is false to suggest that I did not produce documents requiring Rs.60,000 for removal of implant. It is false to suggest that I am hale and healthy and I am recovered.

Re examination : nil

(Evidence deposed by the witness is computerized to my dictation in the open court).
