Kuldeep Singh alias Booti, aged 34 years, son of Jagtar Singh, resident of village Chuslewar, Tehsil Patti, District Tarn Taran

---Applicant/accused

Versus  
State of Punjab

---Respondent

FIR No.87 dated 25.06.2022  
Under Section 22 NDPS Act  
Police Station, Sadar Patti

**FIRST BAIL APPLICATION UNDER SECTION 439 Cr.P.C.**

Present: Shri K.S. Mand, counsel for the applicant  
Shri Gurpreet Singh Rana, Additional P.P. for State

**ORDER**

Applicant/accused has filed the instant bail application under Section 439 Cr.P.C., seeking regular bail in the above noted case.

2. It is argued by the learned counsel for the applicant that applicant is innocent. He is not committed any offence and he has been falsely implicated in this case. However, 210 tablets, in loose form and without any label, have been planted upon the applicant. It is submitted that till the time the content of these tablets is not known, otherwise it cannot be said with conviction that applicant has committed any offence in violation to the provisions of NDPS Act. Applicant is in custody since his date of arrest on 25.06.2022. Presentation of challan and conclusion of trial is going to take sufficient time. Therefore, it is prayed that the applicant may kindly be granted the concession of regular bail or on interim bail till the time of receipt of report of chemical examiner about the contents of the tablets.

3. On the other hand, learned Additional Public Prosecutor for the State opposed the bail application. However, it is conceded that till date there is nothing on record to suggest about the contents of the tablets recovered in loose form from the applicant as the report of the chemical examiner is still awaited.

4. I have considered the contentions raised by both the sides. As per the allegations of the prosecution, applicant was found in conscious possession of 210 tablets, which were in loose packing and were not bearing any label. Report of chemical examiner is yet to be received and normally it takes 2/3 months or even more for report to be received due to the huge pendency of work in the laboratory and only then it can be ascertained about the salt of the loose tablets and also as to if the contents of thereof would fall under commercial segment or under non-commercial segment. Applicant is in custody since 25.06.2022. No useful purpose is going to be served by keeping the applicant behind the bars till the time quantity of the intoxicant salt contained in the recovered tablets including those in loose form are not revealed. In these circumstances, applicant is ordered to be released on interim bail on her furnishing bail bonds in the sum of Rs.50,000/-, with one surety in the like amount, subject to the following conditions:

- 1) That the applicant shall not tamper with evidence.
- 2) That the applicant shall surrender in the court in case, on receipt of report of chemical examiner, the quantity of the salt from the recovered tablets falls under the commercial segment and in case of violation on the part of the accused to surrender, the Court shall be at liberty to cancel the bail order of the applicant.
- 3) That the applicant shall not leave the country without prior permission of the Trial court.

5. Copy of this order be sent to SHO/IO concerned with the direction to send report of chemical examiner immediately to this court. In case, on receipt of report, quantity of narcotic drug or psychotropic substance is found to be commercial, this order granting interim bail shall be deemed to have come to an end automatically and applicant shall surrender before the court without any further order of cancellation of bail otherwise same shall be considered to have become absolute. However, it is made clear that observation made herein above shall not be construed as an expression on the merits of the main case. The bail application file be placed on record/consigned to the Record Room, Tarn Taran.
