Present: Sri Jayanta Koley, Judge, Bench-II. (WB00562)

Order 99

8.8.24

Today is fixed for taking steps by the parties for drawal of final decree.

Plaintiff files hazira along with an application praying for passing necessary order to issue direction upon the concerned Court Officials regarding the amount of Non Judicial Stamp paper to be submitted by the plaintiff against his share in the suit property as declared in the preliminary decree . Defendants are absent without any step.

Heard the Ld. Advocate for the plaintiff in respect of the application filed this day.

It appears from the record that after passing of the preliminary decree in this suit, Engineer Commissioner was appointed to partition the suit property in accordance with the respective shares of the parties as declared in the preliminary decree and the report of the Engineer Commissioner has already been accepted for the purpose of making the same as a part of the final decree to be drawn up in this suit.

In the context of the above scenario there is every necessity to ascertain the amount of non-judicial stamp paper to be furnished by each of the parties according to their respective shares declared in the preliminary decree for enabling them to submit the same before this court. In that perspective, the prayer made by the plaintiff this day obviously bears merit and should be allowed.

Hence it is

Ordered

that the application filed by the plaintiff this day stands allowed.

Office is directed to ascertain the amount of Non Judicial Stamp paper to be submitted by the parties in accordance with their respective shares by 3.10.24 for enabling the parties to submit the same for the purpose of drawal of the final decree.
