Present : Jayashree Banerjee, Chief Judge  
Order No. 25/ dated 10.08.2023:

It appears that the appellant after having filed the appeal before this court has lost interest to pursue the matter. It further appears that the appellant was show caused by this court on 11.04.2023 and the show cause was filed on 17.06.2023.

Today when the matter was called none appeared on behalf of the appellant but Mr. Krishnendu Poddar appeared before the court and submitting that though he has not made a party in the appeal summons have been served upon his client Crompton Greaves Ltd.

Be that as it may, this court is not inclined to keep this appeal pending when the appellant is not diligent enough to conduct the hearing of the appeal before the court.

Hence, it is
