Order No. 03/ dt. 06.06.2024

Today is fixed for hearing the petition dated 24.04.2024.

Dhr files hazira.

Dhr filed an application under Order 6 Rule 17 of CPC on 24.04.2024 praying for amendment of the execution application.

Heard and considered materials available on record.

It appears from the record that by this instant application decree holder has sought amendment of the execution application as per the schedule appended with the instant application which is of my considered view is necessary for the purpose of execution of the said decree and the omission to incorporate the same in the original execution application is liable to be rectified. The amendment is regarding insertion of the relief claimed in column no. 10 of the Tabular statement and deletion of the relief that is written in column no. 11 and incorporating the word "by attachment" as mode of execution. The amendment sought for would not have the effect of changing the nature and character of the execution and is required for the proper execution of the case.

Hence, it is,

ORDERED

that the instant application dated 24.04.2024 is allowed but without any costs.

The execution application is to be amended as per the schedule of the proposed amendment appended with this application dated 24.04.2024.

The Dhr is directed to file amended application by the date fixed.

Fix **05.07.2024** for filing amended application and verification by D.A.
