Ld. Advocate files an application under Order VI Rule 17 read with Section 151 of CPC, praying for amendment of Tabular Statement.

Case record is taken up for hearing.

Heard and considered materials available on record.

It appears from the record that by this instant application decree holder has sought for amendment of the execution application as per the schedule appended with the instant application which is of my considered view is necessary for the purpose of execution of the said decree.

The proposed amendment is sought for correction of Column No. 1, of Tabular Statement.

The amendment sought for would not have the effect of changing the nature and character of the execution. It is not against the explicit words of decree. As such I am inclined to allow the proposed amendment.

Hence, it is,

ORDERED

that the instant application dated 01.09.2025 is allowed but without any costs.

The execution application is to be amended as per the schedule of the proposed amendment appended with this application dated 01.09.2025.

D.A is directed to correct Column No. 1 in Tabular Statement.

On scrutiny of the record, it appears that the execution has been filed beyond 02 years, thus Dhr to file requisites under Order 21 Rule 22 of CPC for serving upon Jdrs.

Requisites at once.
