

Order No. 10

Dt. 02.03.16

Today is fixed for framing of issue. Defendant also filed suggested issues. Plaintiff is present and filed further date for filing suggested issue.

Now it appears that an application u/o 7 rule 11 of C.P.C. filed by the defendant along with copy of lease agreement and other documents with a prayer that the present suit be rejected.

Now it appears that before framing of issue hearing for the application u/o 7 rule 11 of C.P.C. filed by the defendant today is require as it appears from the petition that the present suit is not at all maintainable then the question of framing of issue does not and can not arise at all.

Accordingly, to.20.04.16 fix for hearing the petition u/o 7 rule 11 of C.P.C. and also fix for written objection against the said petition by the plaintiff.

D/c by me.
