Order below Exh.1 in M. P. No.264/2021

Perused the record. It appears that on 08.04.2022, the petitioner filed adjournment application (Exh.10) stating therein that, the petitioner and the respondent have decided to seek divorce by mutual consent and therefore he is seeking adjournment. Said application was granted. But thereafter, petitioner remained absent and not proceed further in the matter. Petition is pending for more than 5 years. Considering the directions given by the Hon'ble High Court that, long pending matters should be disposed within stipulated period, I am of the considered opinion that, keeping this petition pending, does not suffice any purpose and hence, in view of the above discussion, I pass following order.

ORDER
