

Sessions Case No. 04 of 2022
CNR No. WBCS01-000085-2022

Order No.16 dated 18.10.2023 :-

Today is fixed for hearing of the petition dated 16.10.2023 filed on behalf of the prosecution.

Heard Ld. P.P. and the Ld. Advocate for the accused on the petition.

It is stated that the original FIR, formal FIR and seizure list dated 10.12.2021 lying with this case record are required for the purpose of proving these three documents in another case being case No. SC 15 of 2022 arising out of the same PS Case. Prayer has been made to take these original documents from the case record by replacing the certified copies of the same.

It is not specified whether the prosecution intends to resubmit the original documents in this case after producing those documents before the Ld. Additional District & Sessions Judge, 2nd. Bench, Calcutta. It is also not specified whether the record of SC 15 of 2022 was split up from this case record. It appears that trial has already commenced in this case and some of the original documents relied upon the prosecution have already been marked exhibits. In such circumstances, it is not clear as to why some of the documents as specified in this petition, are required in SC 15 of 2022. Since certified copies of the exhibited documents are admissible in evidence.

The instant petition, in its present form is devoid of necessary particulars which merits rejection. Accordingly, the instant petition is rejected with liberty to the prosecution to file a fresh petition providing all necessary particulars.

To date (30.11.2023).
