**Order No.52**  
**19.11.2025**

The case record is put up on the basis of an application filed on behalf of the prosecution.

The prosecution filed another application calling for the original General Diary Entry (GDE) Book containing entry nos.1831 and 1857 dated 22.09.2023 and the Alamats of this case from the Burrabazar PS. Copy served.

Heard both sides. Perused the said application and the case record. Considered.

The Officer-in-charge of Burrabazar PS is directed to produce the alamats seized in connection with this case on 21.11.2025.

Regarding the GDE Book, it is submitted by the learned advocate for the defence that if the same is not relied upon document, the prosecution should not be allowed to introduce such documents in trial. I completely agree with the submission made by the learned advocate for the defence. If the relevant pages of the GDE Book has not been made part of the relied upon documents, the prosecution should not be allowed to introduce the same during trial. The learned PP-in-charge submitted that in the absence of the investigating officer who is holding the case diary, he is not in a position to state whether the same is a relied upon document or not.

In such circumstances, to avoid future complications, the Officer-in-charge of Burrabazar PS is directed to produce the GDE Book containing entry nos.1831 and 1857 dated 22.09.2023 along with true copy of the same. Admissibility of the said GDE Book into evidence will depend upon the fact whether the same is a relied upon document or not.

Let a copy of this order be sent to the Officer-in-charge, Burrabazar PS for his information and necessary action.

To date.
