

Order dt.

The case record is put up by way of put up petition.

The authorized representative of the complainant is present with Ld. Advocate and files a petition with prayer to compound the case with the permission of the Court as per section 320 of the Cr.P.C. The said representative was examined as P.W.1 and discharged. He has deposed to the effect that the dispute between the complainant company and accused persons have been amicably settled. I do not find any impediment in permitting the complainant company to compound the case; since this is a case under Sections 406/420 of I.P.C which are compoundable with the permission of the Court.

Hence, the permission is granted and accordingly it is,
