IO/SI Vikas is present with the file

Reply of the IO is already on record.

Submissions heard on application u/s. 439 Cr.P.C.
for grant of regular bail moved on behalf of the applicant/
accused.

Ld. Counsel for the accused submits that accused is
in JC since 18.11.2022, does not have any previous
involvements, the accused has been arrested on the disclosure
statement, injury has been opined to be simple on the MLC of the
injured Ravish and fake MLC has been procured by the
complainant. Hence, accused be admitted to bail.

IO reiterates the contents of his reply and further
submits that certain photographs have been supplied to him by
the complainant which clearly show the extent of injuries. He
further submits that accused has been arrested at the
identification of eye witness Prince.

Ld. Spl. PP for the State vehemently opposes the
bail application stating that the offence under Section 307 IPC is
attracted since there are multiple injuries of stabbing on the face

and neck of the injured Ravish and hence, the bail application be rejected.

Heard. Record perused.

As per the FIR, the complainant was attacked with rods and sharp weapon by one Tinku and his associates due to which the complainant suffered injuries on his face. MLC of the injured Ravish reflects clean lacerated wounds on the neck and scalp. Photographs filed by the IO also reflect the injuries sustained by the complainant on his face, near his neck as well as on the head. The present accused has been identified by an eye witness Prince. The allegations against the accused are serious in nature and the investigation is still at the initial stage.

Thus in the totality of the facts and circumstances of this case, considering the gravity of offence no ground is made out to release the accused on bail at this stage. Hence, the bail application is dismissed and stands disposed off accordingly.

Copy of the order be given dasti as well as sent to the Jail Superintendent as per rules.
