ORDER

22-12-2022: Advocate Sajad Ahmad Hajam for the applicant-Showket Ahmad Bhat. Ld. PP for the UT. Ld. Counsel for the applicant submitted that his client is suffering from various ailments and he be granted bail on medical grounds.

During the course of hearing, I found that another application for grant of bail in favour of accused Showket Ahmad Bhat is also pending in this Court. The earlier application has been filed on 06-10-2022

through Advocate Akther Dar. The present application has been filed through Advocate Sajad Ahmad Hajam.

While going through the record, I found that there is no mention by the applicant whether another application has already been filed in this Court seeking bail. Interestingly, both the applications have been filed through father of applicant-Mushtaq Ahmad Bhat.

It appears to me that the applicant is playing a mischievous game with this Court by filing another application while similar one was already pending in this Court and that fact has not been disclosed in the present application.

I am of the opinion that two applications for same applicant cannot be permitted in same Court.

In view of this, the application filed on **26-11-2022** bearing Filing No. **166/B** is hereby ***dismissed*** as not maintainable.

Application is *disposed of* and be made part of the main file.
