

SESSION CASE NO.119 OF 2019

Computer Regn.No.123/2019
CNR No.WBDD01-001596-2019

PRESENT : PRADIP KUMAR PANJA
DISTRICT & SESSIONS JUDGE,

ORDER NO.24
14.01.2022

Accused Sudhangshu Saha and accused Manashi Tudu are produced from J/C.
Today is the last date of the present schedule fixed for adducing evidence on behalf of the prosecution.

None appears on behalf of the defence.

It appears that several witnesses were summoned in this schedule and the witnesses namely Sadhu Mardi, Dipa Mardi, Rabin Mardi and Pari Hembram, Laboni Mardi and Biplab Mandal were duly served with summons but save and except Biplab Mandal, none appeared before this Court for adducing evidence. Ld.P.P submits that though Biplab Mandal came to the court and met with him but he has not taken the risk of examining the said witness first since the defacto complainant namely Sadhu Mardi has not been examined. He also submits that the presence of Sadhu Mardi is very much essential in this case.

Heard. Considered.

Considering the present pandemic situation no stringent order is being passed today in respect of the other witnesses who have not turned up in spite of service of summons, but in case of defacto complainant Sadhu Mardi, there is no other alternative but to issue bailable warrant for securing his attendance on the next date since custody trial is being conducted in this case.

Accordingly, fix **28-02-2022** for evidence of the defacto complainant.

Issue bailable warrant accordingly.
