9.9.16

Today accused Joyendra Barman is produced from J/C, who files bail application. Ld. P.P is present. Bail application is heard in presence of both sides. Perused the FIR and other documents in the record I find the allegation against the accused is greivous and considering the nature of offence and as the case is pending for investigation the prayer for bail is rejected. Call for C.D. To 23.9.16 for production of the accused and C.D. Inform I.O.
