07.11.16

Accd. Md. Minaj is produced from J/C also prays for bail by filing an application stating the fact therein.

Hd.both sides. Perused the record record I find that the case is pending at the initial stage of investigation and if bail be granted there is a chance ofd tampering the evidence of P.Ws.

SO, the prayer for bail is rejected.

To 21.11.16 for production and report.
