Petitioner is facing inconvenience to lead her regular life due to disruption of electricity supply in her residence. Ld. Advocate of the petitioner has prayed for necessary order so that the electric connection in the house of petitioner be reinstated at once. Copy supplied to the other side.

Further Ld. Advocate submitted that this petition has been filed by the petitioner only to harass the respondent.

Heard the submissions of both sides.

Perused the materials on record.

It is an admitted fact that petitioner does stay with her minor son in the said house. Petitioner alleged that Respondent has disconnected the electricity connection of the house of the petitioner, to which respondent flatly refused her allegations against him. In this circumstances, without obtaining report from the appropriate authority in respect of the electricity connection of the house of the petitioner, no effective order can be passed at this stage.

Accordingly, IC, Kurseong PS through his subordinate officials directed to cause an enquiry and to see whether the allegation of the petitioner against the respondent in respect of disruption of electricity connection in her house does have any substance in it or not. Furthermore, he is directed to cause an enquiry from the office of WBSEDCL, Kurseong Branch under what circumstances the electricity connection of the house of petitioner has been disconnected, if actually it has been done.

Let a copy of this order sheet be sent to IC, Kurseong PS for his necessary perusal and compliance.

The matter be taken as urgent one.
