Ld APP and Ld defense both are present today.

Ld. Advocate of the accused has submitted before this Court that the matter was already fixed up for examination of the accused u/s 313 Cr.P.C. Vide order no. 82 and subsequently vide order no. 83 examination of the accused person u/s 313 Cr.P.C. has already been done and matter was fixed for argument. All of a sudden, vide order no. 84 this Court Ld. Court has pleased to call for Chemical Examination report by invoking Sec. 311 Cr.P.C. Since then, there is no development in this case record.

Heard the submission of Ld. Advocate of the accused.

It appears that the matter was earlier fixed for up argument vide order no. 83 dt. 02.04.2024 but subsequently the same was fixed up for further evidence by calling upon report of Chemical Examiner. The present case is more than twelve years old. From last one year approxmiately no examination report whatsoever has been submitted before this Court neither any Chemical Examiner has turned up before this Court although after issuing repeated summons upon the concerned. Taking into account the long pendency of this Case and the principle of natural justice, I am of the opinion that further waiting for the report of chemical examination nothing more than to waste the precious time of this Court. Accordingly, the prosecution evidence stage stands closed in present and consent of Ld. APP.

Let the matter be fixed for hearing argument on **12.11.2025** for argument.

D&C by me.
