Today is fixed for evidence of CSW01, 02 and 06.

The accused persons on C.B is present.

CSW 06, Jonathan Lepcha is present . He is examined , cross-examined and discharged. Some documents were marked as Exhibits.

Received RT message from OC Mungpoo PS stating that CSW01 SI Raj shekhar Pain, is engaged in Law and Order Duty so, he is unable to be present today before this Court and has prayed for another date.

On perusal of the record it appears that the concerned witness is a material witness in this case and they have not acted upon the summons after it was served several times leading to the delay of disposal of this case. This case is pending since 2020. Keeping in mind the situation it will be prudent for the concerned department to make necessary arrangement so that the witnesses in question is not being engaged in any kind of Law and Order duty and appear before the Court for giving evidence on the next date fixed.

Inform the OC Mungpoo PS for necessary information and strict compliance.

Re-issue summon upon CSW 01.

BC I to do the needful.

Fix 31-08-2024 for compliance by and evidence of CSW 01,.
