MACC- 104 of 2020  
Reg no. 104 of 2020  
CNR No. WBEM0100 06612020

**Order no. 18 dt. 18-07-2024.**

Today is fixed for hearing of the petition u/o 6 rule 17 of the CPC filed by the claimant on 04-08-2023.

Both the parties are present by filing hazira.

The petition u/o 6 rule 17 of CPC is taken up for hearing.

Heard both sides.

Ld. Advocate for the claimant submits that the claimant had filed a petition praying for amendment of the claim application by incorporating the proposed amendment as mentioned in the schedule of the amendment petition and further submits that if the amendment be allowed the OP will not be prejudiced in any manner.

Ld. Advocate for the OP/Insurance company raised objection against the prayer for amendment and submits that the cause of action of the claim petition would be changed if the amendment is allowed and the OP will suffer irreparable loss and injury for such amendment.

On careful perusal of the petition, it appears to this Court that the proposed amendment, as sought for, is formal in nature and if allowed, in no way the OP will be prejudiced.

Having heard the submissions of both sides the prayer for amendment is considered and allowed.

Claimant is directed to file amendment claim application by the date fixed.

Op is at liberty to file additional WS in the meantime, if any.

To **02-09-2024** for filing amended claim application and additional WS, if any, by the OP in the meantime.
