Order No.19
08.12.2025

Today is fixed for production of accused persons and consideration of charge.

Two accused persons Babu Roy and Nashiba Bibi are produced physically. They are taken into custody and remanded to JC till next date.

Ld. Pp in charge and the Ld. Advocate for the accused both are present.

The record is taken up for consideration of charge.

Heard the ld. Advocates representing the State as well as the defence.

Perused the case record and other materials on record. Considered.

He also describes the evidence by which he proposes to prove the guilt of the accused person.

Ld. Advocate representing the defence raises objection. He submitted that there is no *prima facie* evidence against the accused person.

Having considered the submission made by the learned P.P. In-charge and the learned defence council and having gone through the materials on record, the documents therewith and case diary, I am of the opinion that there is ground for presuming that the accused persons have committed alleged offence punishable under Section 20(b)(i)(ii)(C)/25/29 of the Narcotic Drugs and Psychotropic Substances Act, 1985.

The offence punishable under Narcotic Drugs and Psychotropic Substances Act is exclusively triable by a Court of Special Judge.

Hence, charge for offence punishable under Section 20(b)(i)(ii)(c)/25/29 of the Narcotic Drugs and Psychotropic Substances Act, 1985 is framed against accused persons and be kept with the record in a separate sheet.

The charge so framed is read over and explained to the accused persons in Bengali to which they plead not guilty by saying 'ami nirdosh' individually and claims to be tried.

Hence, fix 31-01-2026 for production and recording evidence of de facto complainant.

Issue Summons upon the witness accordingly. Seized alamat, if any, be produced.

Judge, Special Court
