This petition having been heard on 16/05/2026 and the court on the same day delivered the following :

**ORDER**

Heard both sides and perused the records. The father of a two and a half year old child has filed this petition for interim custody of the child. The respondent opposed this petition, raising several allegations against the petitioner. Considering the age of the child, I don't find it proper to give overnight custody of the child to the petitioner. At the same time, it is necessary to give sufficient opportunity to the petitioner to visit his child and to spend time with him. Otherwise, it will result in parental alienation. Therefore, I allow this petition and direct the respondent to give visitation right to the petitioner from 10 am to 12 noon on all first and third Saturdays at the play area of the Mall of Travancore, Thiruvananthapuram.
