It appears that the marriage in between the petitioner No. 1 and petitioner No. 2 was solemnized on 24.11.2022 according to Hindu Rites and Customs. Thereafter, the parties lived together as husband and wife and the marriage was consummated. However, since 12.03.2024 the parties have been living separately due to dispute and differences of opinion and incompatibility. Both parties tried their level best to resolve the dispute and differences but their attempts did not yield any positive result. The petitioners have mutually agreed that the marriage should be mutually dissolved and as such they have approached before this Court by filing this case on 27.08.2025.

Having regard to Section 28 of the Special Marriage Act and on the motion of both the parties made today after six months from the date of presentation of the aforesaid case, now it appears to me that the matrimonial tie between the parties has been broken to such an extent that their co-existence is practically impossible and as such I am inclined to pass order accordingly.
