M.P Case No. 597 of 2025.

Smt. Tapasi Mondal Versus Sri Gopal Das.

Order dated 07.03.2026.

Petitioner namely **Smt. Tapasi Mondal** filed a petition along with a vokalatnama against the accused persons namely **Sri Gopal Das** with a prayer for investigation under Section 175(3) of BNSS on 23.12.2025.

On being considered this Court was pleased enough to refer the same for preliminary enquiry, a report of which is found to have been received by this Court already.

Hd. Considered .

Perused the report meticulously.

Having considered the substance of complaint which is at par with the preliminary enquiry report this Court is of the view that there appears to be prima facie ingredients of offence cognizable in nature and accordingly the same may be referred to the concerned jurisdictional P.S. for investigation.

Therefore, Inspector-in-Charge, Serampore P.S directed to treat the court complain as a FIR and start investigation positively and submit the compliance report before this court by 07.04.2026.
