Mat suit 52/24 (New No.)

Order No. 06 dt.06.01.25

The instant case is fixed today for appearance of the parties (personally) as well as hearing of this case.

Petitioner is represented by her Ld. Advocate.

Respondent is personally present along with his Ld. Lawyer.

Ld. Advocate for the respondent has made a prayer for time to file W/S, which has been objected by the petitioner as the period prescribed by the statute for filing W/S has already been expired.

It appears from the case record that the respondent appeared in the present case on 03.08.24, therefore, he got ample opportunity to raise his defence, inspite of that he did not file his defence within time.

However, considering the nature of the suit wherein both the spouse are fighting with each other, therefore to settle the dispute as well as the issues the respondent is given an opportunity as a last resort to raise his defence i/d the matter will be heard ex parte.

To 16.01.25 for filing W/S I/d the matter will be fixed for ex parte.
