

34 Cr. Case 734/2025 STATE Vs. NIKHIL 514/2024 (Nazafgarh)

22.05.2025

Present: Sh. Sudhanshu Saini, Ld. APP for the State.
Accused Nikhil produced from JC.
Sh. Akhilesh Giri, Ld. Counsel for accused Nikhil.

The Ahlmad has put up a parcha stating that file is not traceable. The Ahlmad was directed to trace the record and put up the same before the court considering a bail application was also pending for hearing today in this matter. Despite directions the file has not been traced to be taken up for hearing.

It is being noticed that almost every next day some or the other file is reported to be not traceable and not put up accordingly for effective hearing. Such lapses especially in matters where evidence is to be recorded, which are old, where bail applications are pending as in this case are clearly not acceptable. There is a consistency noticed in failure to put up the entire cause list by way of records way too frequently. Ahlmad is directed to show cause as to why disciplinary action be not imitated against him. Explanation be furnished by the end of the day today.

Relist the matter accordingly for purpose fixed for **05.06.2025**. The record be traced expeditiously and be put up on date fixed.
