Fresh address of accused has not filed by the complainant.

This is the 3rd consecutive date when complainant has failed to
pursue the matter diligently.

This court is of the considered opinion that in a complaint case, it is
the primary responsibility of the complainant to pursue its case diligently. Such
callous and casual attitude of the complainant has not only delayed the present
proceedings but also shows their scant regard towards the directions of this court.

In view of the above present complaint is dismissed for non
prosecution.
