This petition coming up before me for final hearing on 10.08.2026 in the presence of Sri S.Soma Sekhara Reddy and Smt.N.Saritha, Advocates for the Petitioners No.1 and 2; and upon hearing the Counsel for the Petitioners, and having stood over for consideration till this day, this Court made the following :-

**ORDER**

**1.** The Petitioners No.1 and 2 who are the husband and wife filed this Petition under Section 13 [B] of Hindu Marriage Act requesting the Court to dissolve the marriage on mutual consent.

**2. The brief facts of the Petition are that :**

**(a)** The 1<sup>st</sup> Petitioner is the legally wedded husband of the 2<sup>nd</sup> Petitioner. The marriage of the Petitioners has been solemnized on 17.08.2023 at Indira function hall, Allagadda cross road, Koilakuntla under the

provisions of Indian Hindu Marriage Act in the presence of elders and relatives of both Petitioners. At the time of marriage of the Petitioners, the parents of the 2nd Petitioner were presented gold ornaments to her as customary rituals and the said gold ornaments are kept by the 2nd Petitioner herself. The marriage was consummated. They lived happily for about only one month after the marriage. During their wed lock, they have no children were begotten. But there after serious disputes and differences arose between them. As a result they began living separately after few days of their marriage till this day. The Petitioners have not been able to live together and there is no possibility of any reconciliation or reunion between the Petitioners. It is therefore agreed between the Petitioners that their marriage should be got dissolved through court of law on mutual consent. It is therefore necessary in their interest that the marriage between the Petitioners be dissolved by a decree of divorce. So, that the Petitioners may be able to lead their lives independently and remarry if they so desire.

**(b)** The 1<sup>st</sup> Petitioner agreed to give a lump sum amount of Rs.5,00,000/- to the 2<sup>nd</sup> Petitioner towards full and final settlement of permanent alimony and maintenance to the 2nd Petitioner and in turn the 2nd Petitioner also agreed to receive the same at the time of granting divorce to them by mutual consent by this Court and the 2nd Petitioner relinquished her rights on the properties of the 1<sup>st</sup> Petitioner. There is no collusion between the Petitioners in filing this Petition.

**3.** The Case was registered and matter was posted after six months observing the mandatory period for appearance of Parties.

**4.** After appearance of the parties, the court advised them about the chances of reunion between the parties, for which the parties stated that there are no chances of reunion or reconciliation between them.

**5. Now, the Points for consideration are:**

1. Whether the Petitioners are entitled for divorce on mutual consent?
2. To what Relief ?

**6. Point No.1**

(a). The 1<sup>st</sup> Petitioner/Husband examined as PW1 and marked Ex.P.1 & 2. The 2<sup>nd</sup> Petitioner/wife was examined as PW2. Both PW1 and PW2 reiterated the petition averments in their chief examination affidavits in toto. They both stated that their marriage was celebrated on 17.08.2023 at Indira function hall, Allagadda cross road, Koilakuntla, Nandyal District as per Hindu rites and customs. During their wedlock they have no children. They lived together for about one month only and thereafter serious disputes and differences arose between them and they began living separately after few days of their marriage till this day. There is no cordial relationship between them and finally their marital tie has been broken for more than two years, and have been living separately. There is no possibility of any reconciliation or reunion between them. Despite best efforts made by the elders and relatives, they are unable to reconcile their differences and live together.

(b). The Petitioners relied up on the documents under Ex.P.1 & 2. **Ex.P1** Wedding Card and **Ex.P2** two positive Marriage photographs along with pen-drive. The evidence of both PWs.1 and 2 shows that both parties are living separately and independently and there are no chances of reunion and reconciliation. When the marriage was broken irretrievably and there are no chances of reunion between the parties, the court has to consider the request of the parties to grant divorce. Hence, this court hold that it is a fit case to grant divorce on mutual consent.

Therefore, this point is answered accordingly.

**7. Point No.2 :**

**In the result**, the Petition is allowed.

(i) Granting divorce by dissolving the marriage dated 17.08.2023 between the Petitioners No.1 & 2 by way of decree of divorce on mutual consent.

(ii) In the circumstances, no costs.
