

Order No. 14 dated 06.09.18.

Today is fixed for appearance of the claimants and show cause by them. Both the claimants are present before the court by filing hazira. One show cause supported with affidavit is filed by the claimants.

The record is taken up for hearing. Heard the Ld Advocate for the claimants.

He submits that due to mistake he failed to take proper steps and thus order regarding show cause was passed. He submits that the claimants are present before the court and they have filed show cause complying the court's order. He prays for accepting the show cause petition.

On being asked the claimants in person submit that they are willing to proceed with the case.

Considering the facts and circumstances, I am inclined to allow the show cause petition since the cause shown in the petition is reasonable and convincing. The claimants are given opportunity to proceed with the suit.

The claimants is directed to comply the order dated 15.01.18.

To 19.01.2019 for SR & AD and filing copy of claim application.
