This petition is filed under Section 13-B of the Hindu Marriage Act, 1955 for dissolution of marriage by mutual consent.

Brief facts of the petition :

2] The marriage of petitioners was solemnized on 29.05.2023 as per Hindu Rites and Customs at village Khutehari, Bihar. They have no issue from the said wedlock. The relation between petitioners are estranged. Therefore, they are residing separately from each other since 19.08.2024 at their respective address mentioned in the petition. They have not been able to live together. There is no possibility of re-union and happy marital life between them. Hence, they filed petition for divorce by mutual consent.

3] Considering the nature of the petition, following points arise for determination and I have recorded my findings thereon, for the reasons recorded herein under :-

<u>Sr. No.</u>	<u>POINTS</u>	<u>FINDINGS</u>
1.	Whether petitioners are entitled for decree of ... divorce by mutual consent ?	Yes.
2.	What order and decree ? ...	Petition is allowed.

REASONS

4] In support of this petition, petitioner nos.1 and 2 have filed their affidavits in lieu of examination in chief at Exh.9 and Exh.10 respectively. They have filed copies of marriage invitation card, marriage

photograph and their Aadhar cards on record. They have filed evidence close pursis at Exh.11.

AS TO POINT NO.1 :

5] During the pendency of the petition, petitioners filed application (Exh.7) for waiver of cooling period of six months. The said application was allowed in view of the guidelines given in the judgment of the Hon'ble Supreme Court in **Amardeep Singh Vs. Harveen Kaur reported in AIR 2017 SC 4417 and Amit Kumar Vs. Suman Beniwal reported in 2021 SCC OnLine SC 1270** and further in view of **Judgment of the Hon'ble Bombay High Court in Sneha Akshay Garg Vs. Nil decided in Writ Petition No. 9369 of 2024 dated 25.07.2024.**

6] On 29.05.2023, the marriage of petitioners was solemnized. This petition is filed after 3 years of their marriage. Both petitioners have filed their affidavits of second motion at Exh.9 and 10 respectively. They reiterated the contents in the petition and averred that the contents in affidavits as true and correct. According to petitioners, there is an extreme difference in their standard of living and thinking on each and every count. Therefore, quarrels took place between them frequently. They are residing separately from each other since 19.08.2024 at their respective address mentioned in the petition. Matter was referred for mediation but learned mediator has filed his report as failed. Thus, there is no possibility of re-union and happy marital life between them.

7] Taking into consideration the evidence of the petitioners, this court is satisfied that,

- i) Marriage having been solemnized between the parties.
- ii) The parties have been living separately since last more than

18 months before filing of this petition.

- iii) They were not able to live together at the time of filing the petition and they continued to live separately from each other.
- iv) They have mutually agreed to dissolve the marriage with their free consent and they affirmed the averments made in their affidavits of evidence as true and correct.

8] In view of all above discussions, the petitioners are entitled for decree of dissolution of marriage by mutual consent. Hence, I answer point no.1 in the affirmative and in answer to point no.2, I proceed to pass the following order.

ORDER

- 1] Petition is allowed with no order as to costs.
- 2] It is hereby declared that the marriage solemnized between petitioner nos.1 and 2 on 29.05.2023 is dissolved by the decree of divorce by mutual consent under Section 13-B of the Hindu Marriage Act, 1955 with effect from the date of decree.
