Both the petitioners of this case are present by filing their respective attendances. They have also filed their respective memo of evidences separately.

Both the petitioners namely, **Smt. Krishna Ahir (Ghosh)** and **Sri Kausik Ghosh** are examined in full as P.W.1 and P.W.2 respectively and then discharged. Aadhaar Card of P.W.1 is marked as **Exhibit-1, (Original Aadhaar Card shown and returned by replacing it's photocopy)**. Aadhaar Card and Marriage Invitation Card of P.W.2 are marked as **Exhibits- 2 & 3 respectively, (Original Aadhaar Card shown and returned by replacing it's photocopy)**.

The record is taken up for hearing.

It appears that the marriage in between the petitioner No. 1 Smt. Krishna Ahir (Ghosh) and petitioner No. 2 Sri Kausik Ghosh was solemnized on 29/04/2016 according to Hindu Rites and Custom. After the marriage, the parties started their conjugal life as husband and wife at the house of petitioner no.2. It further appears that they have no issue. It also appears unfortunately trouble cropped up due to difference of opinion and mal adjustment between the parties and they started living separately on and from 10/10/2020. After lapse of time, they realized that there is no chance of reconciliation and that they have mutually agreed that the marriage should be mutually dissolved and as such they have approached before this Court by filing this case on 12/08/2023 thereby praying for decree of divorce on mutual consent.

From the evidences adduced by the petitioners, it appears that they have corroborated their contentions about prevailing matrimonial discord between themselves owing to their differences of test and choices and also about living separately on an from 10/10/2020. This day also both the petitioners categorically mentioned about their intention to dissolve their marital tie after declining the proposal for reconciliation.

Therefore, it is established through the unchallenged testimony of the petitioners that they are living separately from each other more than two years immediately preceding the filing of the instant petition and there is no chance of reconciliation of the parties, from which it is inferred that the marital tie between the parties has been irretrievably broken down and therefore, the parties should get and order, as prayed for in terms of Section 13B of the Hindu Marriage Act, 1955.

Court fee paid is correct.

Hence, it is,
