16-12-2022

Present: Petitioner No. 1 with Sh. Manish Bhardwaj, Advocate.
Petitioner No. 2 with Sh. Rakesh Gumra, Advocate.

Office report seen. It be registered.

An application has jointly been filed for waiving of the cooling period of six months. The matter has been settled between the parties. The parties are living separately for the last more than eight years and all the efforts of conciliation to reunite the parties have failed. The parties have genuinely settled their differences and no pending issues between the parties are there. The waiving period of six months will only prolong the agony of the parties.

Therefore, in the interest of the justice, the application is allowed and remaining cooling period is waived off. Application is disposed of. It be tagged with the main file after due completion. Now to come up for recording of statements of parties in second motion after respite in the main petition.
